Dear Tom,

Thank you so much for another brilliant performance by your group, MonTango. We are, as always, thrilled to have you perform for us in our Old First Church Concert Series.

Your show is a unique addition to our series – having dancers was a first for us, and the overall quality of the performance was a real pleasure to listen to and to watch. We especially enjoyed the interesting history you told throughout the show. It certainly made it more enjoyable for our audiences to be given a chance to really understand what they were seeing and hearing.

It was a pleasure to work with you. The crew mentioned to me that the easy-going attitude of your group made the evening go by quickly and enjoyably for them, as well.

We will be contacting you soon with our series dates and program deadlines for next season. We all look forward to having you at Old First Concerts again!

Sincerely,

Henry P. Halpern
Executive Director
