Georgia and Tom Montgomery  
MonTango  
409 Miller Creek Road  
San Rafael, CA 94903

Dear Georgia and Tom,

The appearance of MonTango at our fundraiser on Sunday, February 24 was an absolute delight. The lovely haunting music of Astor Piazzolla and other tango composers was new to many of our guests and they are now avid fans.

Our guests especially commented on Tom's warm and friendly comments and explanations, Georgia's songs of passion and heartbreak, the extraordinary dancing of Christy and Count and the pleasure of seeing Vanessa and Matt expanding on their musical training with the Symphony Youth Orchestra.

We all thank you for your wonderful music, your friendliness toward us and our guests, and your total support of the San Francisco Symphony and the Metropolitan League. It was a pleasure working with all of you. I hope our paths will cross again and we will have the opportunity to enjoy more of your "MonTango" sounds.

Sincerely yours,

Melinda Brown
